Qnbn National Day Promotion “Double Fibres for same price”

In celebration of Qatar National Day, many organisations require temporary high bandwidth connectivity to key venues in Qatar.

Qnbn, as a promoter of efficient telecommunication in Qatar, would like to invite its Retail Customer base to this promotion for the Qatar National Day 2019.

Under this promotion, Qnbn retail Customers can order and receive two (2) or more selected End to End Point to Point Products and will get double the number of Products at the price of their requested number for any period requested within the promotion dates.

For Example, if two (2) Products are ordered under this promotion, Qnbn will provide two (2) additional Products (with the same connection’s end) for a total of four (4) Products and the price will be only for two (2) Products of the requested connectivity.

This promotion is valid only for Products from/to sites already connected by Qnbn and is subject to availability of capacity. These sites are typically Customer’s headquarters/data centres and Qatari event venues.

A list of some connected venues is shown in Table 1 however this list is provided as a guide only.
